Klicka på den blå knappen **Create Video** och börja med att välja utseende bland de stilar som finns att välja på för gratisversionen. Välj **free** för att sätta igång processen.

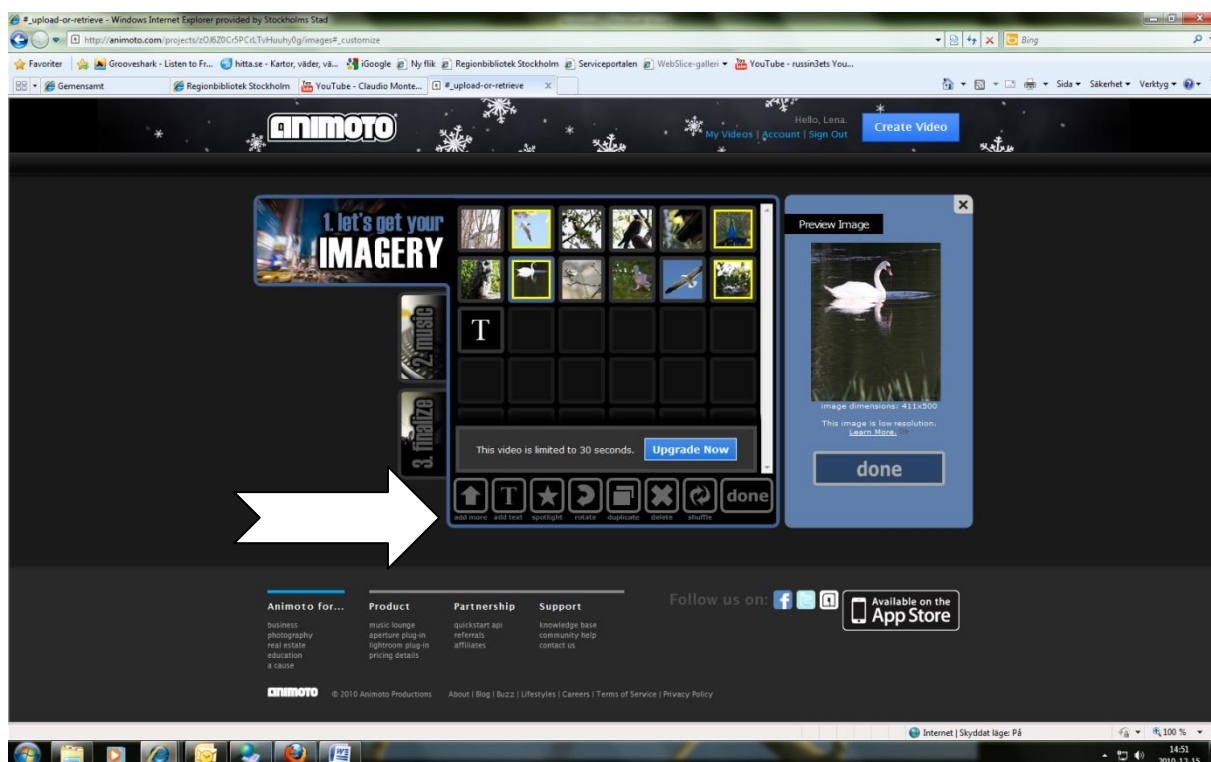

Här börjar de tre stegen som leder fram till en färdig video. Första steget är att ladda upp bilder från din dator. I rutan till höger finns några tips om vilket antal bilder som fungerar bäst.

The screenshot shows the Animoto website interface. At the top, there's a navigation bar with the Animoto logo, user name 'Hello, Lena', and a 'Create Video' button. The main content area is titled '1. let's get your IMAGERY' and 'Step 1: pics & vids'. It includes instructions: 'Load up your video with images and video clips. You'll have a chance to add more later.' Below this are three buttons: 'upload from your computer', 'select from our collection', and 'retrieve from another site'. To the right, the 'ABOUT YOUR VIDEO' section shows settings for Style (The Animoto Original), Visuals (0), and Soundtracks (none yet). It also provides tips: 'A 30-second video uses 8-15 elements (text, images, video), depending on the song.' and 'Use 3-5s video clip highlights for maximum effect.' A white arrow points to this section. The footer contains links for 'Animoto for...', 'Product', 'Partnership', and 'Support', along with social media icons and an 'Available on the App Store' badge.

Valet av bilder påverkar hur resultatet ska bli. Sammanhang och kvalitet gör stor skillnad tillsammans med musikvalet.

När bilderna är uppladdade kan du lägga till text, ändra ordning mm från menyn nedanför.

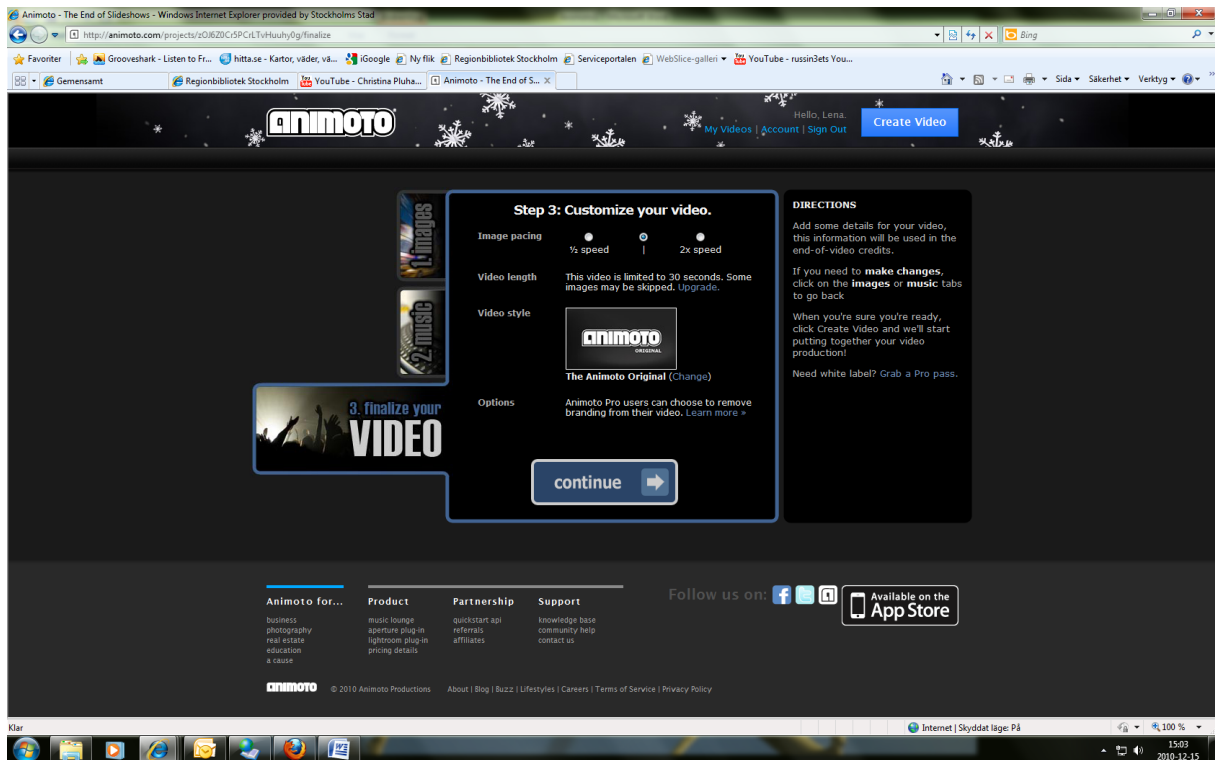

Nästa steg är att välja musik antingen från Animotos eget urval eller från egna MP3filer. Kom ihåg att copyright bestämmelserna gäller även här.

Det finns flera olika genrer att välja på och tempot i musiken anger takten för hur bilderna visas.

Under steg 3 har du chansen att gör dina sista ändringar innan du slutför och skriver in titel på ditt mästerverk.

Nu återstår bara att vänta några minuter på att Animoto ska slutföra sin process.

När allt är klart kommer ett meddelande till din e-postadress med en länk till filmen.

The screenshot shows the Animoto website interface. At the top, there's a navigation bar with the Animoto logo, user information (Hello, Lena), and a 'Create Video' button. The main content area features a progress bar with three stages: Processing (completed), Analyzing (in progress), and Rendering (pending). Below the progress bar, a message states: 'Animoto is producing your video. You can wait here or navigate away. We'll email you when it is ready.' It also mentions 'It will take us a few minutes to prepare your video creation. Make another video or learn more about our products.' To the right, there are two promotional boxes: 'Want more than 30 seconds?' and 'Go Pro!'. The footer contains a grid of links for 'Animoto for...', 'Product', 'Partnership', and 'Support', along with social media icons and a copyright notice.
